

# God is Moving Among **Muslims**

---

## Reaching Muslims

World Team is forming new teams that use everyday life events to build relationships with the Muslim community and share God's love and message.

Our relational approach includes teaching English classes, computer and job skills training, youth programs, health awareness, sports and starting businesses; all of which are aimed at bettering people's lives.

By meeting relevant needs, barriers are torn down and we have a unique opportunity to find common ground, form relationships and share the love of Christ.

Building relationships are the best hope for reaching across social and religious lines. Concern and contribution to one's value can overcome mistrust.

## God is at Work!

One hundred years ago, 10% of the world was Islamic. Today, that number is 23% and growing. Approximately 80% of Muslims live outside the Middle East, opening opportunities to serve all over the world. Of the 3,505 Muslim people groups, 85% remain unreached with the gospel.

The good news is that God is at work! God can and does win Muslims. More Muslims have come to faith in the last few decades than in the past 1400 years!

There are opportunities to serve in traditionally Muslim communities in Asia and Africa, as well as among the diaspora moving to Europe, South America and North America.

If you have a heart for reaching Muslim families and whole communities through word and deed, contact us today about joining a new or existing team!

The gospel is for every people group in the world without exception, since all are made in God's image and are designed for relationship with Him.

Like all people, Muslims sin and fall short of God's glory (Romans 3:23). Like all people, God loved them so much that He sent His son, so that those who believe in Jesus will have eternal life (John 3:16).

With a lack of understanding, along with our fears, we believe their transformation is a hopeless cause, even though we claim to have the hope of the world.

The truth is that God is moving among Muslims. Is God asking you to join the movement —to be part of a team sharing the love of Christ with Muslim peoples around the world?

# Needed: humble, servant hearts

## A Place for You

Being a cross-cultural Christian requires a humble, servant heart that tells God, “I will use the gifts and talents you gave me to be light and salt to those who don’t know you.”

The holistic model of the community development is part of a disciple-making effort. Our teams need people with skills and experience in social work, teaching English, business, computer training, youth ministries, public health education, evangelism and discipleship.

Ask God how you can be used to build relationships in Asia, Europe, Africa and North and South America for the sake of the gospel.

Are you concerned that you don’t have Muslim ministry experience? World Team will provide training and help to serve in a Muslim ministry.
